

**Chasing Bliss: One Man's Quest To Find The Root of Happiness
Documentary Series, Now Available Only On CORE**

WASHINGTON D.C. | APRIL 2023 | Chasing Bliss is a two-part documentary series hosted by film producer Paulino Duran as he travels to foreign countries interviewing people of all walks of life - from small business owners to street goers, to creatives and beyond - sharing their unscripted stories in an effort to discover the true meaning of bliss, joy and what makes people truly happy. On his journey, Duran visits Finland, Hawaii, Ecuador and the USA, meeting an eclectic mix of citizens and drawing inspiration from their unique backgrounds. Can happiness be constant or is it just as fleeting as every other emotion? What causes true happiness? Paulino Duran seeks to answer these questions.

The distribution partnership is inspired by CORE's mission to share stories which elevate global consciousness and discovery of the world around us. Chasing Bliss will join CORE's roster of films, lectures and discussions of likeness on the topic of Understanding Happiness - a theme that has been brought to the forefront within many of the platform's upcoming productions and partnerships.
